### **Old BUSINESS**

Dennis Hardwick reported on the Landfill/Gun range project. The DNR is requiring a form to be completed to use the old landfill for this purpose, but it doesn't sound like it will be a problem with them. We still need to find out about insurance. There's a town meeting on the 10<sup>th</sup> and Dennis will try to attend that.

Internet Service – Jack Ikhtiari volunteered to follow up with TCC regarding getting service at the clubhouse.

Hunter's Safety – no new activity.

### **NEW BUSINESS**

March Ice Fishing contest – Raffle tickets will need to be printed soon. It was decided to keep the prizes at the same level as last year. It was also suggested to raffle a hunting shack again this year as that seemed to go over well last time.

Big Bang Event – normally we hold this the weekend after the 4<sup>th</sup> of July, but the 4<sup>th</sup> will fall on a Wednesday in 2024. It was decided to set our event for July 13<sup>th</sup> to not interfere with other July 4<sup>th</sup> events. It was further agreed upon to get the same guy as we had this last year for the fireworks.

Scholarship Fund – Dennis Hardwick will talk with the appropriate school official as to how to set up a scholarship fund and report back at the next meeting.

The need for a foot rail around the bar was again discussed as being needed. There were no volunteers, and it was suggested to ask for John Rowekamp's assistance on this.

Motion to adjourn by Dennis Gjersest and seconded by Mike Sigler Motion carried. Meeting adjourned at 7:15.
