### **Old Business**

Landfill use for Shooting Range – Jack presented notes outlining DNR requirements. Forms 226 and 226a must be completed by a qualified engineer. Erik Lietz from Oakridge Engineering out of Mondovi is familiar with what needs to be done and estimates costs at \$2500. He has agreed to meet with Club officers at the dump site.

In addition to the \$2500, the DNR also requires a \$700 application fee.

Dennis Hardwick motioned to contract with Oakridge Engineering for \$2500 and have Jack facilitate a meeting with Eric and club officers. Dennis Gjerseth 2<sup>nd</sup> the motion. Motion was carried.

Internet Service – Jack reported basic monthly service to be about \$50. But TCC needs to run a service line to the club house. Running the service line is no cost but the club needs to complete an application. Jack completed an application and put Ed Shufletowski as the contact. TCC could not provide an ETA on when the service could be live. Jack will follow up.

Lights for Sign – President Tondola reported the electrical line and lights have been installed. Member consensus is the sign looks really nice with the light.

Hunting Shack – Matt Bowen at school has 5x5 with 6 windows. Hixton will sell us one for about \$700. Consensus is to go with the \$700 shack.

Gun Tickets – Deer stand tickets are here.
