OLD BUSINESS

Community Service Day went very well with about 8 students constructing the sound absorption structures for the new enclosed area.

Beer License will be acted on at next weeks Town Board Meeting. We do not anticipate any concerns

Cooler Fan still not working. Max will make some calls to Benedicts and Custom to see if they could come and look at problem.

NEW BUSINESS

We were approached by Barb (Carol Johnson's Daughter) and her husband Jeff that are very involved in area Horse Pulling Contests and were interested in possibly having one in Humbird if we were to sponsor it. We would provide the food and the prize money (Approximately \$2500) and they would pretty much take care of everything else. We could either charge an entry fee to help cover the cost of the prize money or obtain sponsors from area businesses. After a lengthy discussion it was decided not to pursue this this year but may be something to consider at a later date.

Alma Center High School trap team had representative present selling raffle tickets for their event and they would like to work with us this coming fall on using our clubhouse for a meal to raise funds. FCCLA will be holding a feed here on February 28th but they haven't decided on a breakfast or dinner yet.

Ed reminded everyone that the dues for 2026 are now due.
